Certificate of achievement

This certificate indicates that the student

Borey Norint Son

participated in the 2024-2025 and 2025-2026 years of OTIS, spending a self-reported 120.0 hours on a plethora of problems (not counting side quests).

Therefore, the OTIS game master awards a letter grade of **A**, and moreover hereby confers the title of

Adventurer (Level 32)

in recognition of Borey Norint's dedication and tireless efforts to become a better problem solver.

Evan Chen, director of OTIS
